

NEW ENGLAND BOAT SHOW:

The official 2017 Boat show guide is now out.

TO VIEW THE SHOW GUIDE PLEASE VISIT:

<http://viewer.zmags.com/publication/bc60ffae#/bc60ffae/1>

Feel free to forward on the show guide link to your guest lists so that they can plan which seminars to attend and find their favorite businesses and boats.

As a reminder our booth number is D-80 labeled as MMTA on the show guide layout. For more information on the boat show please visit:

www.newenglandboatshow.com

For those of you participating in the Boat Show and transporting boats to and from the Convention Center next week be sure all of your equipment is up to code and that you have the proper transport plates in place. It has come to the attention of MMTA that this may be a particularly important year to be sure your move-in goes smoothly, without delays caused by improper or unauthorized use of trailers, or dealer plates. While we have no official confirmation, there is talk of a state focus on compliance regarding these matters.

Check twice, move in once.

FUNDRAISER BOAT AUCTION

***** Please consider sending the boat fundraiser information on to your guest lists in an effort to help maximize the bid price and help support two important industry initiatives.**

The Massachusetts Marine Trades Educational Trust is auctioning off a 2016 - 16' Robalo Center Console with a 70HP Yamaha Outboard and matching boat trailer. The highest bidder of the boat will win the boat, engine and trailer package. The proceeds from this fundraiser / auction will be split evenly between our Marine training scholarship fund and our new Kid's in Boating initiative to support youth boating

programs in our state as well as creative ideas to get more kids on the water and enjoying the boating lifestyle. For more information on the fundraiser or to place a bid on the boat please visit:

www.32auctions.com/boatauction

The auction will end on the final day of the boat show Sunday February 19th at approximately 3PM. The winning bidder does not need to be present to win. We will have the boat on display at our booth at the show. The boat package was generously donated to the Association by **3A Marine** and **Robalo Boats**. Please consider bidding on the boat or making a donation to these two great recreational boating initiatives.

For more information on the auction please contact:

Randall at randall@boatma.com or 508-221-1378
