

BOAT AUCTION / FUNDRAISER

The Massachusetts Marine Trades Educational Trust is very pleased to announce that our fundraiser / boat auction ended on Sunday 2/19 with a winning bid of **\$22,500**. The funds raised will be split evenly between our **William Armstrong scholarship fund** to support students attending schools focused on the Marine Industry and our **KIDS in BOATING** initiative to help support youth boating programs in our state with a focus on creative ideas to get new boaters on the water in a safe and smart manner.

Thank you once again to our two generous sponsors of this fundraiser 3A Marine and Robalo Boats for donating the 2016 Robalo R160 Boat Package.
