

INTRODUCING

Our new MMTA member to member benefits program

The Massachusetts Marine Trades Association has approximately 200 members. We believe that many of our members offer products or services that many of our other members may benefit from. With this in mind, we would like to create a program that allows our members to offer a discount or special offer to other MMTA members and their employees.

If you would like to participate in this **Member-2-Member** benefits program please fill out the form (reverse side) and return it back to Randall. The MMTA Board will review and approve the offers and come up with a new section on our website to market them in addition to sending out by E-news to our members.

There will be no cost to participate in this program and we encourage members to come up with offers that will be useful and valuable to other marine related businesses.
